

Sponsorship for BOB-Konferenz 2019

<http://bobkonf.de>

BOB is the forum for developers, architects and builders to explore and discover the best tools available today for building software. Our goal is for all participants to leave the conference with new ideas to improve development back at the ranch.

- Professional: Top keynote speakers, two tracks of talks and two tutorial tracks
- Invigorating: ~160 developers, architects, makers come to BOB every year
- Diverse: Participants from groups underrepresented in tech receive extensive support

Sponsorship Levels

Bronze (500€) includes:

- logo and mention on the BOB web page
- logo on the program leaflet (online as a PDF, distributed at the conference, poster at the conference site)

Silver (1.000€) includes everything from bronze plus:

- have material placed in the bags handed out to BOB participants

Gold (2.000€) includes everything from silver plus:

- explicit mention in the opening talk
- own booth at conference
- prominent display on BOB web page

Platinum (3.000€): includes everything from gold plus:

- a presentation slot in one of the breaks
- logo on the T-shirts worn by the organizers and handed out to special contributors
- most prominent display on BOB web page
